

SUSTAINABLE CONSULTING SERVICES

01 | Our Method

Cadiz Design Studio is an architectural and interior design firm based in Huntington Beach, California. Our LEED AP staff, along with other professional consultants, will take a proactive approach to develop sustainability initiatives specified for your business. We will identify tangible solutions specific to your organization and continue to support, implement, and evaluate progress on an on-going basis.

We will work with you and your team in the following areas to create an effective sustainable business plan:

Business Model & Strategy

- Your Mission, Objectives, and Goals
- Daily Operations
- Internal "Green Teams"
- Green Influences & Incentives
- Staff and Client Education
- Marketing and Outreach
- Public Relations

Facility

- Existing Building Materials and Structure
- Facility Operations
- Recycling & Waste Management
- Material Sourcing
- Energy & Water Conservation
- Air Quality
- Transportation

Health & Community Relations

- Community Involvement
- Environmental Impact
- Staff Education & Empowerment
- Staff Health and Safety
- Employee Retention
- Lower Absenteeism Rates
- Higher Productivity

02 | Our Process
